

# The SHARPSBURG TOWN CRIER

VOLUME 21

June 2011

NUMBER 6

## COUNCIL NEWS

These minutes are not the official minutes, nor are they a complete review of the business conducted. Requests for a copy of the complete minutes may be requested from the town clerk.

The monthly meeting of the Sharpsburg Mayor and council was called to order at 7:30pm by Mayor Spielman. All members were present.

The minutes were read, and with a few minor corrections, were approved. The treasurer's report was reviewed and approved.

Tom Shantz from Freedom's Run approached the council regarding their annual run in October. The organization would like permission to have their race again this year and have the runners come through town again this year. The council has no problem with the runners, however; Mr. Shantz will return in August to discuss road closures.

### COMMITTEE REPORTS

**Parks and Railroad Station—** Brandon provided two fence estimates to fence in the park and to place at the pond. The council voted to go with Long Fence. Brandon will contact them so that they can get to work on installing the fence as soon as possible. Bryan is working with the company regarding the aerator for the pond.

This will be in shortly and Bryan will take care of installing.

**Building—** we are still awaiting final estimates on fixing bricks on the town hall building.

**Streets—** three estimates have been received regarding the blacktopping of the alley along Chapline Street. Since it seems that each company has their own way of completing this task, certain questions and requests will be submitted to each company so that everyone is bidding on the same exact project. This will be decided in July so that work can commence as soon as possible. There are also several potholes in various alleys that these companies can submit an estimate for as well. So far, only one of the three companies has submitted an estimate for this project. Kimberly will work on this before the July meeting.

**Planning and Zoning—**still awaiting a call from the head of the county planning department regarding obtaining his help and resources to finish our comprehensive plan.

**Battlefield Advisory Committee—**Mr. Perry Jamieson shared that the battlefield wished to thank the parade committee, the town and the fifth graders at Sharpsburg Elementary School for all of their efforts with making the Memorial Day Commemoration services a success. The tour road project will also be continuing into the summer

months. For the 2011-2012 fiscal year, the battlefield's budget will be \$43,800 less than it was the previous fiscal year. Mr. Jamieson will provide the complete report to Kimberly to place in the crier.

**Archives—**Nothing to report.

**Public Safety—** It was addressed to Bryan by the police department that the town may want to consider other arrangements for parking and road closures for the 2012 parade. There were some issues with parked cars and traffic being unable to pass on some of the back streets. This will be evaluated for next year.

**Town Attorney—**Mr. Kane was unable to attend the meeting.

**Mayor's Report—**Mayor Spielman reported that the land beside the town right of way on Antietam and Potomac Streets will soon be put up for sale. The realtor is questioning if the new owners can use the right of way and in what capacity. Kimberly will refer this to Attorney Kane for research and evaluation as to what the town can legally do.

### OLD BUSINESS

Ethics Guidelines—the ethics guidelines, which are mandatory for all municipal leagues was moved to adopt by Mat and seconded by Bryan with all ayes for approval. Kimberly will notify Attorney Kane. Slide at the park—the parts of the slide, as well as the new swings have arrived. The Mayor and Council will get together this week to begin work on installing these new pieces.

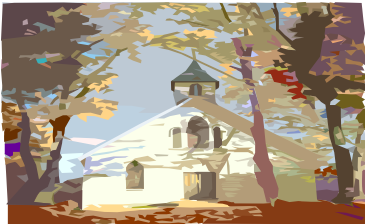

Back room wall—Brandon will take care of getting the materials to complete the wall in the back room of town hall. He will call the members when they arrive so that they can begin work.  
Elevator Contract—it was moved by Mat and seconded by Jennifer to notify Eastern Elevator Services that we will be voiding our contract as of February 6, 2012. Motioned carried. Kimberly will take care of this and a new contract will be entertained in the fall so that it can be in place when the current one expires.

**NEW BUSINESS**

Taxes—the tax rate will increase from .20 to .25, effective July 1. Personal Property rates will be .625 effective July 1. This change will be reflected on tax bills, which will be sent out by the county tax collector on July 1st.  
Budget—the budget for fiscal year 2011-2012 was established and will be effective July 1 2011.

The meeting was adjourned at 9:35pm. Due to the first Monday of July being Independence Day, the next meeting will be held on Monday, July 11 at 7:30pm.

**144TH ANNUAL MEMORIAL DAY  
COMEMORATION**

Pride and patriotism was in the air on Saturday, May 28th, as the town celebrated their 144th year of commemorating Memorial Day.

The festivities began with dignitaries and guests paying their respects to our fallen heroes at the wreath laying ceremony in front of town hall. Music by the MacMillian Pipe Band was enjoyed by all and guests listened intently to the words of keynote speaker, Fred Shinbur.

The parade made its way through town and was enjoyed by people of all ages.

Thank you to the mayor and council, the parade committee, the Antietam National Battlefield, Fred Shinbur and YOU for making this years commemoration an enjoyable day for everyone.
