Town Crier

Volume 24 October 2014 Number 7

The minutes of the town meeting are not the official minutes; they are an overview of the business conducted. A copy of the official minutes can be obtained at the town office from the clerk.

The monthly meeting of the Sharpsburg Mayor and Council was called to order at 7:30pm by Mayor Hal Spielman. The minutes of the August meeting were approved as read. The treasurer's reports from both August and September were approved.

Public Comments

Meredith Poffenberger of the Marketplace of Sharpsburg spoke to the council about sponsoring the Jr. Historical Society. The society would like to meet at the school, however; they need a sponsor with insurance in order to do so. The Town does not have the type of insurance to allow this, however; Ms. Poffenberger was given the Town's support with the newly formed group. She was offered the town hall as a meeting place and council members offered suggestions about different organizations that she could perhaps approach to be affiliated with. GE Ingram of the Sharpsburg Little League spoke with the Council about adding bleachers to the softball field at the park on High Street. They asked the Town to purchase a set of bleachers and the little league would purchase the second set. This was approved.

Steve Goodrich, Director of the County Planning Department gave the council several suggestions on the old Legion property that the town purchased, where to begin with determining the structure of the building and if it is salvageable and also provided a packet with possible funding and grant avenues. He offered the services of the County Building Inspector to come and go through the building to give the Town a rough idea of what would need to be done.

U.S. Marine Corps Reserve Toys for Tots Program

MISSION:

The mission of the U. S. Marine Corps Reserve Toys for Tots Program is to collect new, unwrapped toys during October, November and December each year, and distribute those toys as Christmas gifts to less fortunate children in the community in which the campaign is conducted.

GOAL:

The primary goal of Toys for Tots is to deliver, through a new toy at Christmas, a message of hope to less fortunate youngsters that will assist them in becoming responsible, productive, patriotic citizens.

OBJECTIVES:

The objectives of Toys for Tots are to help less fortunate children throughout the United States experience the joy of Christmas; to play an active role in the development of one of our nation's most valuable resources – our children; to unite all members of local communities in a

common cause for three months each year during the annual toy collection and distribution campaign; and to contribute to better communities in the future

A Toys for Tots drop off box is located at B&B Automotive. B&B Automotive is open Monday-Friday from 8am-5pm. This holiday season, consider donating a new unwrapped toy for this worthy cause.
