Happy Holidays from the Sharpsburg Christmas Committee!

We have compiled a list of holiday events happening in and around Sharpsburg for those that live in and around Sharpsburg, Maryland. You will find the list on page two.

In this time of hope and goodwill, we felt the need to try to bring together our town's churches, businesses, council, organizations, residents, neighbors and visitors for the betterment of our community by creating a few Christmas gatherings for one and all. We also want to help spread the word of each known holiday event happening within the month of December.

The Sharpsburg Christmas Committee is looking for several more volunteers to help us spread the word and plan and attend events. Although our efforts are Christian based on the Christmas holiday, we acknowledge and welcome our residents and neighbors that do not celebrate Christmas to participate solely based on community, camaraderie and good tidings.

This newsletter is the first of what we hope will be the first of many years to come. Several of the events that we have planned are the first for our town as well. We hope that you can attend these events, but these events will return again next year and hopefully for many years hereafter. We also hope to work with Town Council next year to bring back the Tree Lighting Ceremony and help increase the attendance.

Merry Christmas! And Happy New Year!
The Sharpsburg Christmas Committee

Sharpsburg Christmas Committee's Mission Statement: It with great pride and caring that the Sharpsburg Christmas Committee will help bring together the Sharpsburg community during the holiday season each year by way of planned events, charitable donations to local organizations and interactive promotion of holiday events in the months of November and December.
